

## CHILDSERV MEMBERSHIP PROGRAM

### WELCOME

ChildServ invites you to join a very special community committed to the support of ChildServ programs on behalf of at-risk children and their families throughout Chicagoland.

The ChildServ Membership Program includes five distinct "Society" levels, all with one single, shared purpose; that is, to advance ChildServ's mission, to help at-risk children and their families to build, achieve and sustain better lives.

To be a member of ChildServ is to be connected to 117 years of service to the children and families of Chicagoland. To be a member of ChildServ is to stand with some of the most illustrious names in Chicago history... including, among others, Swift, Armour, Harris, Deering, and Addams. To be a member of ChildServ is to forge another personal link with ChildServ's founder and social visionary -- Lucy Rider Meyer -- and to affirm her belief that *... "the most satisfying work is that which reaches children and families in need."*
