FOR IMMEDIATE RELEASE:

ChildServ receives \$69,240 in holiday donations for children at risk

Chicago, Ill. – January 10, 2018 – ChildServ, a nonprofit dedicated to building better lives for children, received donations totaling \$69,240 for its annual Holiday Gift Drive, providing toys, books and clothes to more than 1,100 children in the organization’s care.

“This year’s Holiday Gift Drive was the most successful in agency history,” said Dan Kotowski, President and CEO of ChildServ. “We are truly grateful for the incredible support and kindness of our donors, ensuring that our children experienced the love and joy of the Holidays.”

ChildServ’s 2017 Holiday Gift Drive featured contributions from 63 individuals and community, corporate and faith partners from across Chicago, who donated gifts for children, teens and young adults, ranging in age from newborn to 24-years-old.

The event’s success was also made possible through the generosity and hard work of 125 volunteers – from corporations such as United Airlines and Power Construction, LLC., and faith communities like First United Methodist Church of La Grange and Fourth Presbyterian Church of Chicago – who shared their time and talent wrapping and organizing presents for delivery to the children in ChildServ’s care.

About ChildServ

Since 1894, ChildServ has helped children and families who are at risk to build better lives and achieve their potential. The human services agency provides trauma-informed programs, including early childhood education, foster care and adoption services, group homes, and housing for formerly homeless young adults to children and families in Cook, DuPage, Kane and Lake counties.
